

EXCELSIOR

Excelsior Gondolier Merlot 2013

This Merlot pays homage to Gondolier, one of the most renowned thoroughbred racehorses bred at Excelsior. Six months after receiving extensive physiotherapy on an injury to his hind leg that had left him completely lame, Gondolier won the 1985 Durban July, South Africa's most prestigious horse race. Today Gondolier is regarded as one of the legends of South African horse racing.

This Merlot comes from vines planted on calcareous soils and represents the best Merlot produced on Excelsior. The vines are 10 years old and fully mature, thus providing us with grapes of concentration and complexity.

In The Cellar

The grapes were hand harvested at 25 degrees Balling, and then fermented for 6 days on the skins. The wine was aged in 10% new oak barrels for a period of 12 months.

Vintage Conditions

The weather in 2013 was very warm resulting in beautiful ripe flavours. The crop levels were slightly lower than the long term average.
