PUREBRED MALBEC MERLOT 2022

Excelsior's long-standing philosophy is that great wines are made in the vineyards and perfected in the cellar. This lovely red blend is no exception. It is blackish plum in colour with aromas of ripe blackcurrants and plummy fruit.

VINTAGE CONDITIONS

A cool season and moderate weather conditions in the Robertson area during harvest time slowed down ripening, which gave vines the opportunity to develop stunning flavour and colour in this year's crop. We can expect some good wines from this vintage.
